

Charter of the Audit Committee

1. Purpose

The Audit Committee (the “**Committee**”) is appointed by the board of directors (the “**Board**”) of Sienna Senior Living Inc. (the “**Company**”) to assist in the oversight and evaluation of:

- the quality and integrity of the financial statements and other financial information relating to the Company;
- the design and implementation of the Company’s internal controls and disclosure controls;
- the compliance by the Company with legal and regulatory requirements in respect of financial disclosure;
- the qualification, independence and performance of the Company’s independent auditor;
- the development, review and assessment of the Company’s complaints procedure with respect of the reporting of illegal or unethical behaviour;
- the oversight and monitoring of risks delegated to the Committee by the Board in connection with the Enterprise Risk Management program;
- the performance of the Company’s Chief Financial Officer; and
- any additional duties set out in this Charter or otherwise delegated to the Committee by the Board.

In addition, the Committee provides an avenue for communication between the independent auditor, the Company’s Chief Financial Officer and other senior financial management, other employees and the Board concerning accounting, and auditing matters.

The Committee is directly responsible for the appointment, compensation, retention (and termination) and oversight of the work of the independent auditor (including oversight of the resolution of any disagreements between management and the independent auditor regarding financial reporting) for the purpose of preparing audit reports or performing other audit, review or attest services for the Company.

The Committee is not responsible for:

- planning or conducting audits,
- certifying or determining the completeness or accuracy of the Company's financial statements or that those financial statements are in accordance with generally accepted accounting principles ("**GAAP**") or International Financial Reporting Standards ("**IFRS**"), or
- guaranteeing the report of the Company's independent auditor.

Each member of the Committee shall be entitled to rely in good faith upon:

- financial statements of the Company represented to him or her by senior management of the Company or in a written report of the independent auditor to present fairly the financial position of the Company in accordance with GAAP or IFRS, as applicable; and
- any report of a lawyer, accountant, engineer, appraiser or other person whose profession lends credibility to a statement made by any such person.

In this context, "**good faith reliance**" means that the Committee member has considered the relevant issues, questioned the information provided and assumptions used, and assessed whether the analysis provided by senior management or the expert is reasonable. Generally, good faith reliance does not require that the member question the honesty, competence and integrity of senior management or the expert unless there is a reason to doubt their honesty, competency and integrity.

The fundamental responsibility for the Company's financial statements and disclosure rests with senior management and the independent auditor is responsible for auditing those financial statements. It is not the duty of the Committee to conduct investigations, to itself resolve disagreements (if any) between senior management and the independent auditor or to ensure compliance with applicable legal and regulatory requirements.

2. Reports

The Committee shall report to the Board on a regular basis and, in any event, before the public disclosure by the Company of its quarterly and annual financial results. The reports of the Committee shall include any issues of which the Committee is aware with respect to:

- the quality or integrity of the Company's financial statements;

- the performance and independence of the Company's independent auditor;
- the effectiveness of systems of control (including risk management) established by management to safeguard the assets (real and intangible) of the Company; and

The Board may appoint a member to fill a vacancy that occurs in the Committee between annual elections of Directors. Any member of the Committee may be removed from the Committee by a resolution of the Board. Unless the Chair is elected by the Board, the members of the Committee may designate a Chair by majority vote of the members of the Committee.

As such, it is not the duty or responsibility of the Committee or its members to conduct “field work” or other types of auditing or accounting reviews or procedures or to determine that the Company's financial statements are complete and accurate.
